People who feel insignificant, remain ineffective and small. They become grasshoppers in their own sight and may never inherit all that Jesus died to give them. Graham Scott

### Ideas forming:

In May, we'll be having a "In My Backyard" artsy evening with creatives and good eats. This will be a fund raiser for the trip to Israel and the play. I promise, it will be fun! I'll keep you posted!

We would love if you'd come along side with us monetarily to help us complete these tasks in excellence. We believe that time is of the essence and the time is now for Adonai to move like a huge wave over our land and Israel. The stats are amazing of those now finding Yeshua all over the world.
