Coming October 4th, 5th & 6th, 2019

“The Garden”, River Family Church, Vista, CA

This will be a theatrical presentation of the times God displayed himself as an all-powerful & loving God, all for the reason of bringing his creation back to the garden. His ancient sounds from heaven have always been present. We will highlight some of His mighty displays in artistic form, with music, drama & dance. Come and have an adventure with us!
